

CHHS 2026 2027

REGISTRATION GUIDE

You can keep this planning booklet - you don't need to turn this into your homeroom teacher

Using this guide, let's plan for what courses you'll take next year. As you work through the steps below, put what you would like in the list here and then you'll enter these requests into PowerSchool to officially register for your courses. Let's get planning!

Back up Complementary Courses

<input type="radio"/>
<input type="radio"/>
<input type="radio"/>

STEP 1: GRAD CHECK

What do you need to graduate with a Alberta High School Diploma?

- 100 credits or more (each class is typically 5 credits)
- ELA to Grade 12 (30 level)
- Social Studies to Grade 12 (30 level)
- Math to Grade 11 (20 level)
- Science to Grade 11 (20 level)
- PE 10
- Calm and Life Management 20 (Calm)
- 10 credits in Complementary Courses (CTS, Fine Arts, Second Languages, PE 20 & 30)
- 10 credits at the 30 level in addition to ELA and Social Studies

Courses and Marks

[View Credential](#)

>> View diploma / certificate progress

This list is done for you in your myPass account - under Credentials. It is updated after every semester.

By the end of Grade 11, you should have 10 credits in complementary courses, Calm, PE 10, Math and Science 20 done. Your credits should be in the 70-75 range. Please plan for this!

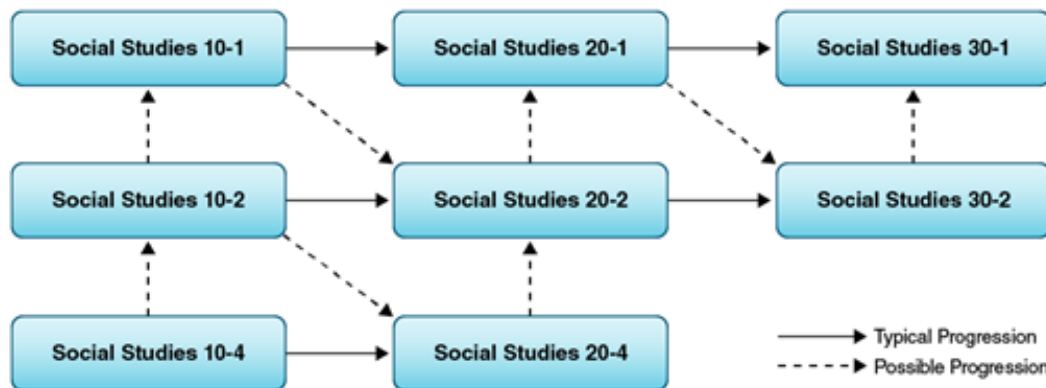

STEP 2: CORE CLASSES

English Language Arts (ELA) Program

- Core courses = 5 credits each
- Minimum 50% required to progress to the next level. The only exception is if you are going from a -1 pathway to -2 pathway for ELA and Social and are between 40-49% as a final grade (retroactive credits)
- If you finished a -2 class with less than 50%, you'll need to repeat it before you move to the next course.
- **You need to follow the arrows – NO creating your own pathways**

Social Studies Program

You need to take English Language Arts and Social Studies to the 30 Level.

HOW DO I KNOW WHAT PATHWAY TO TAKE?

- The -1 pathway is for students aiming for university or college and includes more advanced courses.
- The -2 pathway is for students who are focusing on careers or technical training, offering more practical, hands-on learning opportunities.
- Both pathways lead to a high school diploma, but the course levels differ based on your future goals.
- *We'll look more at how to figure out what you need after high school later in this guide.*

STEP 2: CORE CLASSES

Mathematics Program

SO MANY SCIENCE COURSES! ???

For now, you can pick what you think would be the best course(s) for you. Life after high school planning coming in our next step.

Science 20/30: a great general course for non science majors in post-secondary. Something to research and consider. It's not as in-depth as Science 10 was.

Science 24: Basic science course for Alberta High School Diploma.

Science Program

- Core courses = 5 credits each
- If you finished a class with less than 50%, you'll need to repeat it before you move to the next course.
- **You need to follow the arrows - NO creating your own pathways**

CONFUSED ABOUT MATH?

"-1" Course Sequence

For post-secondary programs that require the study of calculus like engineering, science and other programs depending on where you are applying.

"-2" Course Sequence

For post-secondary programs that do not require the study of calculus like psychology, nursing, education (depending on teachable subject area), criminal justice, social work, communication and more.

"-3" Course Sequence

For the majority of trades and for direct entry into the work force.

You need to take Mathematics and Science to the 20 Level.

STEP 2B: SPANISH BILINGUAL PROGRAM REGISTRATION

Please pick these courses when registering.

Grade 10

- Spanish Language Arts 10
- Social Studies 10

Grade 11

- Spanish Language Arts 20
- Spanish 20 Option (Intercultural Studies/Calm)

Grade 12

- Spanish Language Arts 30
- Design Thinking for Innovation 35

- Watch for DELE registration in your Grade 12 year
- Want to challenge the Language and Culture exam? This will be in Grade 12 as well.
- Design Thinking 35 can be used for admission to many post-secondary programs. A great hands on course to finish off your Bilingual Program.

**¡ATENCIÓN!
¡ATENCIÓN!**

Students in the Spanish Bilingual Program are required to complete 25% of their coursework in Spanish each school year. Need assistance mapping things out? See your counsellor for help!

STEP 3: RESEARCHING LIFE AFTER HIGH SCHOOL REQUIREMENTS

There are two general ways we explore what students may want to do after high school. Pick what way works best for you – digital or paper.

Digital Exploring myBlueprint

Complete these quizzes to see what programs/occupations you match with.

Search any programs or occupations here. They'll give you admission requirements and more! You can save them under your favourites. ❤️

Post-Secondary

Apprenticeship College & University Workplace

Programs Institutions American Institutions

Search for a program or explore below

There is a digital planner here linked to your PowerSchool **but credits are not accurate.** Please use myPass for checking credits and grad progress.

SCAN ME

Access myBlueprint here or scan the QR Code. Click "School Account Log in" and use your ID number and password to log in.

Welcome Back

School Account Log In

Paper Exploring: X's and O's

Step One: Come by Guidance located beside the Student Center and grab some Post-Secondary Viewbooks. Pick two or three to start.

Step Two: Cross (X) off every program that does not interest you. These should be ones that you know you'll never want to study or take.

Step Three: See what programs you have left. Circle (O) what you have left. Check these admission requirements. Let's plan for those courses for now.

TRADE INFORMATION

Apprenticeship and Industry Training Apprenticeship Education Entrance Requirements

MINIMUM REQUIREMENTS

Successful completion of the following courses:

RECOMMENDED PATH

Alberta High School Diploma that includes the following courses:

CATEGORY A	English 10-2 Math 10-3 OR A pass mark in all five Canadian General Educational Development (GED) or Canadian Adult Education Credential (CAEC) tests* OR Entrance Exam	English 30-2 Math 30-3 Physics 20 OR Chemistry 20 OR Science 20 Related Career and Technology Studies (CTS) courses
	English 20-2 Math 20-3 Science 10 OR A pass mark in all five Canadian General Educational Development (GED) or Canadian Adult Education Credential (CAEC) tests* OR Entrance Exam	
	English 10-2 Math 10-3 Science 10 OR A pass mark in all five Canadian General Educational Development (GED) or Canadian Adult Education Credential (CAEC) tests* OR Entrance Exam	

Okay, now that you've done some exploring, do you have any changes to the core courses you've selected? Please continue to update your list at the beginning of this planner as you go!

CATEGORY A

Baker
Barber
Bricklayer
Cabinetmaker
Carpenter
Concrete Finisher
Cook
Crane and Hoisting Equipment Operator
Floor Covering Installer
Glazier
Hairstylist
Insulator (Heat and Frost)
Ironworker
Lather (Interior Systems Mechanic)
Locksmith
Metal Fabricator (Fitter)
Painter and Decorator
Parts Technician
Water Well Driller
Welder

CATEGORY B

Agricultural Equipment Technician
Appliance Service Technician
Automotive Service Technician
Boilermaker
Communication Technician
Electric Motor Systems Technician
Electrician
Elevator Constructor
Gasfitter
Heavy Equipment Technician
Industrial Mechanic (Millwright)
Motorcycle Mechanic
Natural Gas Compression Technician
Plumber
Power System Electrician
Powerline Technician
Sheet Metal Worker
Sprinkler Systems Installer
Steamfitter-Pipefitter
Transport Refrigeration Technician

CATEGORY C

Auto Body Technician
Landscape Horticulturist
Machinist
Outdoor Power Equipment Technician
Recreation Vehicle Service Technician

CATEGORY D*

Roofer
Instrumentation and Control Technician
Refrigeration and Air Conditioning Mechanic

* See the individual trades on tradesecrets.alberta.ca for Category D trade entrance requirements.

Apprenticeship and Industry Training
tradesecrets.alberta.ca

STEP 4: CHOOSING COMPLEMENTARY COURSES

By this point you should have figured out:

1. Core Courses
2. Calm or PE 10 if you need to take these still
3. Spanish Bilingual Courses if you are in this program
4. How many spots do you have left?

CHHS Complementary
Course Guide

**Research and choose
courses carefully.**

Important Info - Prerequisites

You need to take the introductory (10) level and then the intermediate (20) level before registering for the advanced (30) level for each course except Legal Studies Advanced and Psychology/Sociology 30. These are the only two courses you may jump to the Advanced Level. Each course = 5 credits.

Global Studies & Language and Culture Courses

Aboriginal Studies

Chinese

French

German

Spanish

We offer Advanced
Placement courses in
Chinese & Spanish.

Career and Technology Studies

Auto Mechanics

Computer Science

Cabinetmaking

Engineering Design

Fashion Studies

Foods

Graphic Design &

Photography

Leadership

Legal Studies

Metal

Technology/Fabrication

Well-Being and Personal Development

Physical Education

Environmental and Outdoor Education

Sports Medicine

Sports Performance

Yoga

Psychology

Psychology starts at the 20
level - prerequisite is Social 10

Fine and Performing Arts

Art

Choral Music/Choir

Dance

Drama

Technical Theatre

Instrumental Music

Instrumental Music 20 runs
with Social 20 over one
period yearlong

SPARE REQUESTS

- **Grade 11s - half spare** if you are on track for grad and are taking Calm - one term you will have Calm the other a spare OR
- **Grade 11s - one full spare** if you are on track for grad and have completed Calm
- **Grade 12s - one full spare each semester** if you are on track for grad

FREQUENTLY ASKED QUESTIONS:

Let's check out these questions and then review your classes one more time.

REVIEW

Can I register in Advanced Placement Cohort Courses in Grade 11 and 12?

Yes! Courses will run if we have the minimum number of students needed to create these classes. You'll be able to choose these classes when you enter your courses into PowerSchool. AP courses next year may include:

- English Language Arts, Social Studies
- Math
- Biology, Chemistry, Physics
- Spanish, Chinese and Art

Passing Courses vs. Recommended Next Levels

While Alberta Education requires 50% to move on to the next course, we strongly recommend thinking about shifting levels if you just passed a class. It's important to get a great foundation and then upgrade later if you need that original course. You can ask your counsellor or your teachers what they think may be best for you. Teachers may have completed the recommendation section in PowerSchool as well.

Can I take a course in summer school?

Sure! Please register for classes now as if you are not though in case you change your mind. When you register for summer school, we'll ask you if/how you want to change your course requests.

CBE Summer School - you can take ONE course in Summer School with the CBE

July 2-28, 2026

More Info on classes & registration to come out in mid-April

Can I upgrade a course at CHHS?

No, sorry. This would increase our class sizes significantly. If you complete and pass a course you take anywhere in Alberta (including CHHS), you may not repeat it at CHHS. You can look at repeating a course online or retaking your diploma exam. Talk to your counsellor about this. Alberta Education takes your best course mark and diploma mark (if applicable) to make your final grade.

Can I take a course online during the school year?

Sure, if there is room with CBe-learn. Please watch for semester one information to come out in mid-August and semester two information to come out in November. You'll complete an online request form and we'll sign you up if there are spots available.

ONLINE

What if I want to change what I registered for after it closes February 10th?

We will email out a Course Correction Form in April for students to request changes but courses may be full at this point so please try to choose courses thoughtfully and carefully during this original registration period. We'll always try our best!

CAUTION

Please take a minute to review your list of 8 courses. It's time to enter them into PowerSchool to complete your 2026/2027 CHHS Registration.

STEP FIVE: ENTERING COURSES INTO POWERSCHOOL

FINAL

From **February 1 to February 10th** you can officially register for your 2026/2027 courses, please follow these final steps.

Sign In

- 1 Go to the MyCBE/PowerSchool Portal sign in page (<https://sis.cbe.ab.ca>). You can also access this page from the public CBE website (<https://www.cbe.ab.ca/>) or your school's website, by clicking on the MyCBE/PowerSchool link.

This will not work on the mobile app.

- 2 Enter your **Username** and **Password**.

- Students – use your CBE Student ID and CBE network password.
- Parents/Guardians – use your MyCBE username and password that was created during parent account setup.

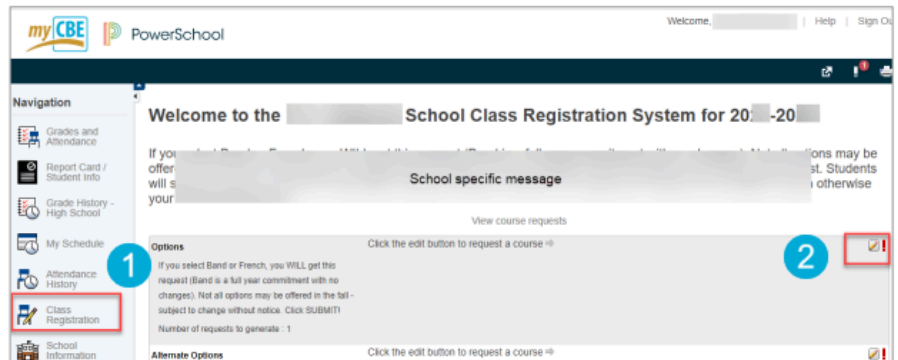

Enter your course requests:

- 1 On the left-side Navigation menu, click on **Class Registration**.

On the Welcome page, you will see a message from your school about class registration. Below, you will see multiple registration sections that you must complete.

! This icon indicates that you need to select additional courses to request in this section.

✓ This icon indicates that all course request requirements have been fulfilled in this section.

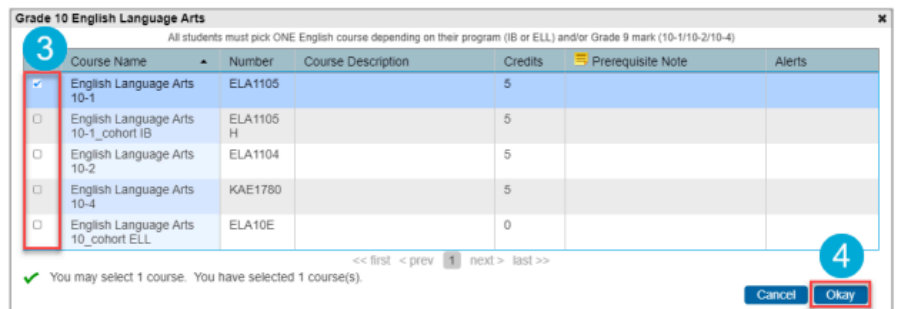

- 2 To begin requesting courses, click on the pencil button  in the first registration section.

- 3 A pop-up menu will appear with course options. Select the course(s) you are requesting by placing a check mark in the box beside the course name.

Note | if a teacher has made a course recommendation, it will appear in the Alerts column.

- 4 The alert at the bottom of the page will track how many courses you have selected. The red exclamation mark will change to a green check mark when all requirements have been fulfilled. Once you have selected the correct amount of courses, click **Okay** to continue.

CONTINUE

STEP FIVE: ENTERING COURSES INTO POWERSCHOOL

REGISTER NOW

Enter your course requests:

- 5 The course(s) that you have selected will now appear on the main page. Repeat this process for each request section below by clicking on the pencil button.

MyCBE | Student Course Requests

Grade 10 English Language Arts English Language Arts 10-1  

All students must pick ONE English course depending on their program (IB or ELL) and/or Grade 9 mark (10-1/10-2/10-4)

ELA1105 - 5 credits

Number of requests to generate : 1

Grade 10 Social Studies Click the edit button to request a course =>  

All students must pick ONE Social studies course depending on their program (IB/Regular/French Immersion. Please consider teacher recommendations and Grade 9 course marks when picking course level.

Number of requests to generate : 1

Grade 10 Math Click the edit button to request a course =>  

Regular program and French immersion students may select only one of these math courses. Please consider your Grade 9 course mark and teacher recommendation when picking your course.

- 6 Once you have completed all request sections, click **Submit** to save your requests.

Grade 10 Alternate Selections Art 10_5 cr  

You must choose 2 alternate selections that are different than your elective choices. These are your secondary choices for your elective classes, which will only be scheduled if a primary elective has a scheduling conflict.

FNA14005 - 5 credits Marketing & Mgmt 10
MAM192X - 5 credits

Number of requests to generate : 1

Additional Requests Click the edit button to request a course =>  

Requests that are currently not associated with any requirement group.

Requires between 40 and 50 credit hours.
Requesting 40 credit hours.
Requesting 0 additional credit hours.

- 7 The Course Requests page will appear with a list of all courses you have requested.

To make changes to your course requests, click **Class Registration** on the Navigation menu to return to the previous screen.
